5	<p>Presentation, Discussion, and Possible Action: Based on the uncertain status of CD2's "NoHo Summer Nights," discuss drafting a budget proposal to co-host a fall screening of "Wicked" with the Lankershim Arts Center. This would include live ASL interpretation on screen and assistive listening devices (open captioning device for those who do not know ASL). If needed, seek budget assistance from organizations like the Department of Cultural Affairs, Valley Cultural Foundation, CSUN's Deaf Studies Program, the City of LA Department of Disability, etc. and propose CD2 Councilman Nazarian's office to also contribute to the success of the event.</p> <p><i>TABLED - we discussed various issues pertaining to this - most specifically the issue with the budget. The new fiscal budget does not start until July 2025. Jorge provided information about the Lankershim Arts Center being able to to host and absorb the cost of the event in order to have ASL interpretation. Unsure of who motioned and seconded</i></p>
